healthcare staffing by CAREmasters

CHALLENGE

Maintaining staffing levels that adequately support your current healthcare services can become difficult. The recruitment and retention of qualified caregivers, nurses and other healthcare professionals can turn quickly into the number one challenge your organization faces with respect to maintaining adequate, safe and comprehensive healthcare services in your facility. Temporary staffing placements sourced by CAREmasters are a great way to alleviate many of the pressures you may face in dealing with overworked employees and significant overtime costs. Placement of qualified, temporary staff in your facility allows you to maintain, expand and improve your current healthcare services. It can prevent crisis situations directly related to staffing shortages or unexpected circumstances and it provides relief to existing permanent staff. Please call our office for a free consultation and quotation.

AGENCY

CAREmasters is a licensed private duty home health agency and healthcare services pool, serving Southwest Florida with medical & non-medical homecare and healthcare staffing. Caring daily for our homecare clients our staff improves talent, dedication and performance. Alternating our staff between home care and staffing assignments enables us to send you the best fit for your challenge. Unlike staffing only agencies we are able to service you based on a staffing contract or as a home health care provider. CAREmasters hotline is available 24/7. Our “caregiver & nurse on call” system will ease your emergency needs.

QUALITY

At CAREmasters, we pride ourselves on our commitment to quality. We designed a quality assurance program, with intense caregiver and nurse training, frequent onsite visits and performance checks to ensure that each client’s individual goals are carefully evaluated and supported. Our efforts in homecare are monitored through the leading accreditation body for healthcare – CHAP, The Community Health Accreditation Program.

STAFF

CAREmasters handles all HR functions for you. Our entire staff is employed. Workers Compensation, General & Professional Liability Insurance and Commercial Crime coverage are in place. All employee’s credentials, experience and references have been checked. Professional licenses and criminal backgrounds have been verified. Health and drug-free statements, TB tests and required immunizations are intact. Each staff member has passed a thorough interview, competency tests and orientation. They were found to be valuable contributors to the CAREmasters quality team of healthcare professionals.

SERVICES

CAREmasters healthcare staffing is focused on providing direct care staff. We offer flexible daily staffing, daily block staffing for multiple shifts and contract assignments of up to several month. We help to cover leaves of absence, census fluctuations, vacations, core staffing requirements or temporary fill of a difficult to fill permanent position. Even when opening a new facility you can count on us. In case you consider outsourcing of staffing functions, we will listen to your plans and contribute to the solution.
